Reminders...

Thank you to all the families that made it into the school to visit your children's classrooms and see what they have been learning! We hope you felt the same pride we do when we visit classrooms throughout the school, the sweet sounds of learning are definitely in the air!!

"Strength lies in differences, not in similarities"- Stephen Covey. We are so lucky to celebrate many cultures and diversities in our school community.

This week, children learned about the Lunar New Year coming up this weekend - Gong Xi Fa Cai! In the coming days, our SVE community will learn about, honour, and celebrate Black History Month. We will host a student-led assembly on Feb. 21st @ 8:45. All families welcome!

Finally, if you haven't already done so, please take a few minutes to complete the parent portion of the Ministry of Education - 2024 Student Learning Survey. Your feedback is very important to us. Click here and follow the parent prompts: [Survey Link](#).
