### Additional Information

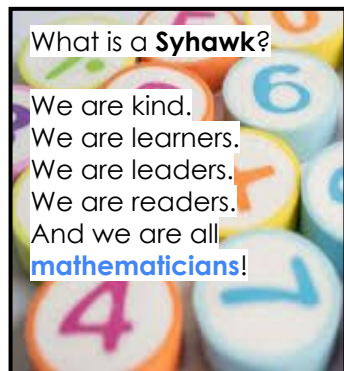

#### Family Affordability Fund Update & School Fees

The B.C. Ministry of Education and Child Care has discontinued the "one-time" **Student and Family Affordability Fund**, which previously helped schools offset some school-related costs for families (e.g., supplies, field trips, extracurriculars).

In Central Okanagan Public Schools, **no student will be denied participation in an educational program due to financial need**. Our Board's **Regulation 425R – School Fees (Financial Hardship Clause)** ensures families can confidentially request support or alternative arrangements. If cost is a barrier for your child, please contact the school principal.
