Dear SVE families,

We are feeling so proud of our students this week! We witnessed many moments of our students being absolute gems! Children were inviting others to build snow forts with "everyone is welcome" attitudes, participating in the Back to School assembly with renewed energy and demonstrating their best "skyhawk" assembly behavior, and playing with poise and respect during the Quigley dodgeball game. We have received multiple compliments this week about our students' positive behaviors, interactions and energy in the school. We could not be more proud!! We are looking forward to another amazing week! Stay warm!

Partners for inclusive Education (PIE) is a welcoming online space committed to supporting parents/guardians to learn more about the how students with neurodiversity, disability, support needs and/or diverse abilities are supported in their neighborhood school.

PIE is a space where parents/guardians, staff and community come together as partners to champion inclusive education by learning and supporting each other as we navigate the school years together.
