Substance Use and the Power of Support

ONLINE EVENT FOR PARENTS AND CARING ADULTS

Fear is often the loudest emotion when our kids are involved in substance use—but what if we led with care instead? Join us online for an important conversation with Guy Felicella, a renowned advocate and speaker, as he shares how connection and relationship can make a difference in substance use and addiction.

THURSDAY MAY 8, 2025 | 6:30 PM - 7:30 PM (PST)

Overcoming a two-decade substance use disorder, Guy has turned his life around after years of homelessness, gang involvement, and surviving overdoses in Vancouver's Downtown Eastside. Now, Guy passionately promotes harm reduction, trauma therapy, and faster access to treatment, using his story of resilience and recovery to inspire others and push for compassionate drug policies and addiction support.
