

February PAC Meeting minutes

February 10, 2021

We acknowledge that we are on the unceded territory of the Okanagan people

Attendance: Nicolina Cristini, Dorey Gardiner, Breanna Kelly, Jammie Paterson, David Coats, Kristy Mertes, Kim Graumann (regrets not present)

7:02pm Dorey calls meeting

Breanna adopts agenda

Nicolina motions to start meeting, Breanna seconds

Jammie motions January minutes, Breanna seconds

Scentsy cheque in the PAC mailbox for \$80, Purdy's cheque, Dorey shirt cash

Treasure Report: Gaming grant moved into the right spot

COPAC Report: Zoom meeting bombed last month. Had to close and reopen late to start the meeting by half hour because of this. Keep in mind it can happen, security ways to get past password, need to be mindful of how and where we are putting it out to parents.

- Presentation upcoming school budget, check out district site or ask principal to put on PDF form on website
- Surveys coming out, calendar survey ends February 19
- Social/ emotional learning team from Foundry (more middle school/ high school ages) good topic to present Doing presentation next COPAC meeting
- Raymer was doing a doing family activity each month they are starting that back up this month. They have a separate PAC website for this. This month will be a Valentine's craft with things you have around the house. They also have a meet the teacher portion on website. Would this be something teachers at our school would be interested in? Could we look at including this in the newsletter?

Admin Report:

- Neon Day Friday Jan 29
- Registration opens for next year
- Parent conferences
- Approval from district to submit designs – Fiona contacted – start with climbing structure, sitting area
- Let us look at grant proposals for as much funding as we can
- Valentine concerns – brought on Monday and held until tomorrow

Coming Up:

- Pink, white and red day Feb 12

- Harmony Day Wednesday 17th (more details to come after staff meeting)
- Pink Shirt for Anti Bullying Feb 24th
- FSA for grade fours – by March 12th
- MDI survey for grade fives – by Feb 26th

Committee Report: Email from a family regarding spirit wear they ordered a size L and got an XL

Hot Lunch: Middle school doing this again now and 1-2 elementary schools. We struggle finding the manpower to take on hot lunches again. How could we do this with COVID? Work behind the scenes is a lot, organizing takes a few months. We need more people, and we do not have people to distribute. If we want hot lunches, we need volunteers. We will do a survey in May to see if there are volunteers and if this is something, we have enough help with come the 2021-2022 school year.

Purdy's: more information will be sent out next week, \$500 minimum

Photos: Grant said a weekday would be the best sometime between April 12-25 he would take on 10-12 families and a time slot between 3pm-6pm. Dorey emailed and asked him about a weekend time. Query is this worth the effort for 10-12 families for a fundraiser during a weekday time slot. Weekend is a make or brake for us.

In-dey-go: Hanging baskets, cookie dough, jerky. Make \$6.50/tub 4-6 dozen cookies 10 types of cookies. Successful with other PACs. Could offer 3 or 4 types of cookies. Sell extra, freeze well. April after easter closer to Mother's Day? \$2 fee per transaction processing fee charged to those who purchase

Old business: Playground (talked about in admin report)

New business: Teacher request for virtual field trip. Teacher to book send invoice to school, then to PAC. If two classes joined could have all access. 35 students cap send out info to teachers who want to join. Easier if teacher arranges and sends to PAC. Teachers need deadline to book. Query if we are missing out on group rate, did not see it on email anymore.

Next meeting March 10, 2021

Dorey adjourned meeting at 7:49pm
