Reminders...

We have some very exciting things happening this month! Let's begin with the solar eclipse! While the school district has sent out an email to parents already, we want you to have some information about our SVE safety plans for Monday. We will be engaging in some learning around solar eclipses. During recess time, to prevent student from looking at the sun, we will keep students inside and have our window shutters mostly closed. We will have the eclipse live streamed on all of our classroom TVs and projectors. It will be an exciting day and we will be proactive in keeping our community safe.

Upcoming PAC Events:

Meat Fundraiser- May 13-31
