'Pirates the Musical' update from Mr. Prescott

Dear Springvalley Families,

We're thrilled to announce our annual Spring Concert is coming up! This year, we're offering two showtimes to accommodate more families, so please see below for your allotted showtimes. Show times are organized by the first letter of student's LAST NAMES. Please see below for your child's performance time.

When is the musical? **THURSDAY MARCH 6th, 2025!**

Where is the musical? **SPRINGVALLEY ELEMENTARY'S SCHOOL GYM.**

How long is the musical? Each show will be **45 MINUTES LONG.**

- **First Show: 4:30 PM Students last names A - J (Doors open at 4:00)**

- **Second Show: 6:15 PM Students last names K - Z (Doors open at 5:45)**

Teachers will be ready to receive their students at their classrooms when doors open, so please bring your child early to their classroom, then enter through the front door of the school for your seats! Attendance is expected as it helps support their peers, and makes for a stronger performance.

Our talented students have been working hard to prepare a fun and entertaining program that will showcase their musical abilities. We can't wait to see you there! If you have any questions or concerns please feel free to email Mr. Prescott at james.prescott@sd23.bc.ca.

Warm regards,

James Prescott

Don't forget to complete the 2024/2025 Student Learning Survey

We encourage parents/guardians/caregivers to participate in this survey, as the results are important in identifying and celebrating current strengths, as well as determining where the school needs to focus improvement. The surveys contain standard questions for the Province – in addition, questions from the school and/or district that focus on local conditions or issues may be included. The survey can be completed electronically and can be accessed on the Internet at

<https://www2.gov.bc.ca/gov/content/education-training/k-12/support/student-learning-survey>

Any computer or mobile device with an Internet connection can be used, and access to the e-survey is simple and secure. The survey can be accessed through the link and by clicking on Take the Survey. On the login page, click on the Parents icon, and then select the school district and school name where your child attends school. Provincial, District and School Reports for previous years can be viewed at the same site under the Results section. The e-survey site will be open until May 2, 2025. If you have any questions, please contact Ms. Cicchelli at maria.cicchelli@sd23.bc.ca.
